Copyright Infringement

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. The unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject students to civil and criminal penalties. Willful copyright infringement can also result in criminal penalties, including imprisonment and fines. For more information, please see the website of the U.S. Copyright Office at copyright.gov, especially their FAQ's at www.copyright.gov/help/faq. International Beauty Education Center Academy policy prohibits unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing. Students who violate this policy are subject to disciplinary action up to and including termination.
