

Health and Safety Exemption Requirement

International Beauty Education Center (IBEC) adheres to all requirements pertaining to the protection of student information. Information about Student Records and confidentiality policy can be found online at www.ibec.edu.

However, there are limited exceptions to FERPA regulations under which IBEC is permitted to disclose education records or personally identifiable, non-directory information from education records in connection with a health or safety emergency without student consent.

The situation must present imminent danger to a student, other students, or members of the school community in order to qualify as an exception. This action is not taken lightly and only under circumstances that present imminent danger.
