

## Misrepresentation Policy

International Beauty Education Center is prohibited under federal regulations from making any false, erroneous, or misleading statement directly or indirectly to a student, prospective student, member of the public, accrediting agency, state agency, or to the Department of Education.

Federal regulations further provide that substantial misrepresentation is any misrepresentation on which the person to whom it was made could reasonably be expected to rely, or has reasonably relied, to that person's detriment.

The regulations regarding misrepresentation describe misrepresentation with respect to:

- Nature of the education program
- Nature of financial charges
- Employability of graduates
- Relationship with the Department of Education. A Title IV eligible school may not describe its participation in a way that suggests approval or endorsement by the Department of Education of the quality of its educational programs.

### Disciplinary Action

Any violation of this directive will be taken seriously and the institution will ensure that it is not repeated.

Any employee's conduct resulting in disciplinary actions from misrepresentation activity will be documented in the Human Resources Department and maintained in the employee's personnel file.
